**HIGH FREQUENCY INNOVATION**

# MESSAGE

**RB MEDIKAL Electrosurgical Instruments (ESI) is an offshoot of RB MEDIKAL**

**specializing specifically in the vast field of electrosurgical instruments. ESI shares the premises and infrastructure with its parent company and also capitalizes on the**

**existing technology while adding exclusive machinery solely for its technical scope.**

**Since RB MEDIKAL already enjoys international joint ventures with German and Japanese companies, the electrosurgical range is made as per certified international**

**standards (IEC 60601-1 and IEC 60601-2-2) and stands ready to be accepted in the competitive international markets. RB MEDIKAL INSTRUMENTS is ISO 13485:2003 Medical Devices Certification, ISO 9001:2008 - Quality Management System**

**Certification, Medical Devices Directive 93/42/EEC certified company.**
